Thought for the week – Mothering Sunday

Womanhood is a wonderful thing. In womankind we find the mothers of the race. It is woman who rocks the cradle of the world and holds the first affections of mankind. She possesses a power beyond that of a king on his throne. Womanhood stands for all that is pure and clean and noble.
– Mabel Hale

Prayer for the Week – A Prayer of Queen Anne (1665-1714)
Almighty and Eternal God, the Disposer of all the affairs in the world, there is not one circumstance so great as not to be subject to your power, nor so small but it comes within your care; your goodness and wisdom show themselves through all your work, and your loving kindness and mercy appear in the several dispensations of your providence. May we readily submit ourselves to your pleasure and sincerely resign our wills to yours, with all patience, meekness and humility; through Jesus Christ our Lord. Amen.
