### Thought for the Week - Wonder

A person should hear a little music, read a little poetry, and see a fine picture every day of their life, in order that worldly cares may not obliterate the sense of the beautiful which God has implanted in the human soul.

— Johann Wolfgang von Goethe

### Prayer for the Week – A Jewish Prayer

O God, grant peace, happiness, and blessing, grace, favour, and mercy to all your people. Bless us, even all of us together, with the light of your countenance; for by the light of your face you have given us the law of life, gracious love, righteousness, blessing, mercy, life and peace. May it be pleasing in your sight to bless your people at all times and at all seasons with your peace: for your Name’s sake.  
Amen
