Thought for the Week – Over the Horizon

Vision is the art of seeing the invisible. – **Jonathan Swift**

You've got to think about big things while you're doing small things, so that all the small things go in the right direction. – **Alvin Toffler**

Prayer for the Week

Father, we desire as a church to take hold of the vision you have for us and pray that you would lead and guide us to take a collective step of faith, in the direction that you would have us go. May we be united together in the unity of the faith and prompted to carry out your plans and purposes to your greater glory. We pray that the church vision that emerges in our hearts will have been prompted by the Holy Spirit, for your praise and glory. Amen
